

About Us

Born from a spirit of community advocacy in 1994, Murray Mallee Aged Care Group continues to provide in-home services, social support and a retirement living village for seniors in the rural and remote regions of the Murray Mallee, Mid-Murray, Riverland, Adelaide Hills, and Southern Fleurieu Peninsula.

Our care with a community heart now also embraces the Adelaide metro area.

We proudly offer Level 1 to 4 Home Care Packages (HCPs) to our local seniors and anyone in need of a helping hand to maintain independence. Our HCPs are operated under the Consumer Directed Care model, where our clients direct their care with our assistance.

Group Support

For seniors 65 and over, Kaleidescape is a social activity program, uniting hundreds of local community members. Held across four groups, Kaleidescape is a stimulating event that sparks new friendships, rekindles old connections, and forges new companionships.

It's an opportunity to socialise, share a home-style two-course meal, and create a healthy routine outside your home. A fee of \$15.00 is charged on the day. Fees may increase slightly for special entertainment. No person is excluded due to financial status.

To join Kaleidescape, visit **My Aged Care** and call **1800 200 422** to complete an assessment – as this is a Commonwealth Home Support Programme (CHSP).
