

Robert Macdonald – Director

Robert joined the MMACG Board in November 2019 after having held a Project Management role with us for three years. In that role, Robert oversaw the development of Warner Close our retirement living estate in Murray Bridge.

Robert holds a Diploma in Education (Chisholm College Victoria), a Diploma in Valuation (Royal Melbourne Institute of Technology) and is a licensed Valuer in South Australia.

Robert's career in property commenced in July 1972 when he joined Lensworth Finance as a Representative and Cadet Valuer. He subsequently rose to the position of Director – Property Division Elders Finance and Elders IXL.

Robert is currently Managing Director of R.A. MacDonald and Associates Pty Ltd, an Adelaide based property consultancy and investment group specializing in Residential, Retirement, Industrial and Commercial project development and management services. During the last 15 years this company has undertaken the development of 11 retirement villages, residential subdivisions and office upgrades.

Robert's professional affiliations are too numerous to list in detail but include: Associate of the Australian Institute of Valuers; Associate of the Australian Institute of Land Economists; Full member of the Urban Land Institute and Member of the ULI International Committee and Past President of the Urban Development Institute of Australia (South Australian Division)
