

Melissa Taylor

WHS, Quality & Risk Manager

-

Melissa Taylor has come to Murray Mallee Aged Care Group with over 15 years' operational experience working in the community services sector and has a passion for the delivery of safe, quality services.

Over her career, Melissa held both direct care and operational management roles, across diverse fields within the sector.

More recently, Melissa has worked for an independent certification body, as an auditor of compliance under the National Disability Insurance Scheme (NDIS). Melissa brings with her sound understanding of certification requirements and best practice.

On a more personal note, Melissa enjoys gardening and spending time with her four legged family.
