

Patrizia Kadis

Business Development Manager

-

Patrizia has over 30 years' experience in health and community development, including experience in nursing and having held positions at Child Adolescence and Family Health Services Flinders Medical Centre and Queen Elizabeth Hospital over a span of 17 years. Patrizia later moved into the area of Community Development, completing a number of qualifications in Community Services and management.

Patrizia has held various management roles for the past 25 years leading large teams and successfully developing a number of Aged and Community Care Programs. She is currently a Board Director on the Chinese Welfare Advisory Committee (CWAC), The Chinese Welfare Services Board of Management (CWS), and the Multicultural Community Council SA Board of Management.
